

Country Music Store Concept 2023

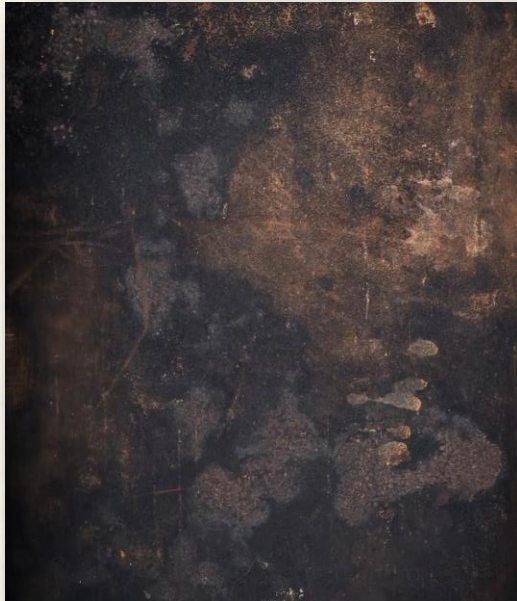

By: Juliana Jordan – Visual Coordinator

Store Theming

Set the stage: A huge country music fan walks into a small, honky-tonk store and suddenly feels like they've been transported backstage to a music legends concert. Sheet music, records, and vintage posters cover the walls, road cases are utilized to showcase unique souvenirs, the most amazing band tees are on the merch table, and their favorite songs play in the background. They're in country music heaven and they never want to leave.

Ceiling and Wall Textures

- Cement Textured Slatwall
- Sheet music
- Hatch print concert posters
- Stucco
- Vinyl Records
- Metallic paint accents

Merchandise Display Concept

Front Porch Set

A denim quilt draped over the back of an old pick-up truck, a prop guitar and a life-size Dolly cut out will make a memorable photo moment for the I Will Always Love You festival.
